Site Description

Capitol Report is published and edited by veteran political professional Tom Dudchik. From the floor of the Connecticut House of Representatives, to the campaign trail, to inside the Governor's office, Tom has had a front row seat to Connecticut politics for over a quarter of a century. Tom now brings his inside perspective to Capitol Report readers each day.

Capitol Report has quickly developed a bipartisan readership that includes the governor's office staff, members of Congress, state legislators, local government officials, lobbyists, members of the capitol press corps, TV reporters around the state, editorial board writers, newspaper columnists, bloggers, business executives, political consultants, and party activists.

When you advertise with Capitol Report you are instantly grabbing the attention of the major decision makers and opinion leaders in the State of Connecticut.
